

MCP Servers

What they eat and what I feed them.

Agenda

1. MCP Client/Server Architecture Overview
2. Test MCP Server Demo
3. IDA Pro MCP Server Overview

MCP Architecture

- Model Context Protocol
- Glue LLMs together with a simple API
- Diagram

Test MCP Demo - Setup

- Minimal demo
- Briefly go over more advanced version

Test MCP Demo - Basic Interaction

- Demo: List available tools / Ask "What can you do?"
- Demo: Simple interactions (e.g., "Hello", "What's the weather?")

Test MCP Demo - Advanced Interaction

- Demo: List emails.

IDA Pro MCP Server

- Brief demonstration of the IDA Pro MCP Server.
- Show how it works (basic example).
